1 God's love is like a cir - cle be - cause it ne - ver ends, and  
2 God loves me in the night - time, he loves me in the day. He

in - side the cir - cle are me and my friends. There's Mum and Dad, my sis - ter and my  
loves me at school and when I'm out at play. God's love is huge and the

bro - ther and me; that's all my friends and my fam - i - ly. God's

love is so big, God's love is so strong and in the cir - cle of his love is where I be - long.
